Sponsor Request Letter

Dear Potential Sponsor

Let me take this opportunity to introduce you to Epitome. The members of this organization have a long tradition of developing skills of both boys and girls and has a history of fielding competitive teams that enjoy success at the highest level throughout our community. **It's fair to say that Epitome will have a positive impact on the lives of Jacksonville's area youth. We are offering a unique opportunity lower the cost for these dedicated athletes to participate in the United States Track and Field (USATF) and/or Amateur Athletic Union (AAU) and Associations by creating Individual Sponsorship Opportunities.**

Epitome is guided by dedicated volunteers, but it is different from most other organizations. We are a small organization and do not receive public assistance. Our only sources of revenue will be the fees paid by parents and donations received from generous individuals and businesses to lower cost. Registration fees cover the basic costs of club operation and field/facility maintenance. The individual athletes are required to raise their own funds to cover the costs of necessary equipment, travel for competition, entry fees, lodging, apparel and uniforms.

In order to make this experience a reality, we are giving businesses, family and friends the opportunity to help our dreams turn into reality by becoming a team or club sponsor!

While any amount you donate or sponsor level you select will be greatly appreciated, certain donations will provide you with some very valuable business marketing tools. Please take a moment to review and select the sponsor package which best fits your business and budget.

Respectfully yours,

Angela D. Harris
